

Quality Policy

Mission

Help customers scale up with the exact expert resources needed at the exact time and at the exact location

Quality policy

Customers and other stakeholders can expect emagine to:

- Provide high-end business and IT consultants and services at the right time and according to agreement
- Create satisfied customers by providing consultants who meet both specified and unspoken customer needs
- Be a reliable business partner, employer, or other partner
- Ensure our employees have the appropriate and necessary training, skills, and experience to achieve our goals
- Engage our employees to always strive to satisfy our customers by fulfilling their needs and meeting their expectations
- Use our customers' feedback to continually improve our processes

Every employee strives to:

- Satisfy customer requirements and other applicable requirements from stakeholders, including applicable laws and regulations
- Contribute to constantly improving operations and raising the level of quality of our services and products

This policy is available on our website
